DHL SUPPLY CHAIN – G1000 MANAGEMENT TRAINEE PROGRAM 2023

I. INTRODUCTION

DHL Supply Chain, part of the EUR 56.6bn DPDHL Group, is the world's leading contract logistics provider. Combining value-added and management services with traditional fulfilment and distribution, our customized, integrated logistics solutions drive efficiency, improve quality and create competitive advantage.

DHL Supply Chain offers specialist, proven expertise within the Auto-Mobility, Consumer, Chemicals, Energy, Engineering & Manufacturing, Life Sciences & Healthcare, Retail and Technology sectors. As today's global markets grow, our innovative logistics solutions are ready to help.

The G1000 Management Trainee Program in Vietnam is a tailored training program in 24 months, targeting graduates and young professionals to prepare the next generation of leaders in Logistics 4.0.

As a fresh graduate, you will gain valuable experience through interactions with different departments. You will learn from the best and get the support you need with a mentor and a buddy throughout the program.

We take special pride in our people! We believe that everyone brings a unique set of skills and abilities to the workplace, and our program reflects just that. Experience a tailored development track that is based on YOUR needs to ensure you are ready to deliver on our customer promise.

II. DEVELOPMENT ROADMAP

- **Phase 1 (the first 12 months):** focus on learning and working in two core departments: Transport and Warehouse under Operations Department.
- **Phase 2: (last 12 months)**

You will be assigned the role as Warehouse Team Leader/ Warehouse Supervisor to provide additional knowledge, as well as leadership skill.

After graduating from the program, you have the opportunity to become a key role in management team of Operations department or move to supporting functions such as: Business Development; Key Account Management, Solution Design, Project Management, Operations Excellence.

III. FUNCTIONAL AREA

- Operations: Transport & Warehouse
- Commercial: Business Development; Key Account Management & Solution Design
- Supporting functions: Operations Excellence
